"Contactless" for Visique is that they'll be arranging courier delivery, and if broken glasses for repairs need to be dropped off, this will be in a pre-arranged contactless manner at their front door. Anyone who needs an appointment, Visique will need to be kitted in PPE gear, and is only after a phone call with the optometrist. But they're only a phone call/email away for any questions.

Professional/Service:

- **Copy Express**, 41 Bay St: 04 5688773; print@copyexpress.co.nz; <https://order.copyexpress.co.nz/>
 1. We have been always online driven and customers can upload orders, create designs, and get quotes directly through the website. Phone and email services have always been there.

2. The office will be manned but close to the general public, so no copying or scanning by walking-in
 3. Deliveries have always been available from us so this is unchanged.
 4. No direct contact collect pick up at office is available. Instructions on our website and visible from outside at the door.
 5. CE has always had several online payment options through our website.
 6. We have information on how limited COVID-19 spread is on paper and cardboard
- **Creativa** (associate member): working remotely; please contact them via email or website
