Elastic and Filters...

- * [The Sewing Depot](#), 47a Buick St: their suppliers are completely out of stock of 3mm elastic and have very low stock of other sizes. At this stage they still have filters for masks available to purchase for \$1.50 each. Please keep in mind these are not medical grade, but are a great protective barrier when out and about in the community. They also have cord, toggles and fabric as an alternative to elastic.
